Rules of the Shoot Out Competition

- At each Melbourne United home game, during a break in play, two participants, who are not alcohol impaired (as assessed at our sole discretion), will be selected from the crowd at random to participate in the competition. Selections are made by Melbourne United staff and made at our sole discretion, are non-transferable, and not subject to negotiation.
- The two participants will be taken onto the main basketball court to complete a shoot-out challenge at half time (the competition). Each participant will each have 5 separate shots at the basket from the free-throw line. The participant's feet must remain behind the free-throw line at all times while shooting.
- If there is a tie, the participants will keep shooting at the basket until someone misses, with the other person being declared the winner (subject to these terms and conditions).
- The participant who makes the most amount of scoring shots will qualify for the shoot-out challenge (competition) final at Melbourne United's last home game of the season.
- All fans can also enter via the Wild Card competition for inclusion in the competition final. This is an online entry form. TAC's activation agency will select one winner at random who will go straight through to the final shoot out/ knock out round.

- At the end of the season it is anticipated there will be 13 participants being the winners of each shoot-out challenge from every Melbourne United home game and the Wild Card entrant (14 anticipated participants total).
 - All 14 qualifying participants will be required to show their valid Victorian drivers licence before being accepted to the final shoot out.
 - Competition final rules: The final shoot out will be a knock out round. All participants will line up in single file behind the free-throw line. The first and second participants will each get a basketball. The first participant will shoot their basketball at the basket. If the shot goes into the basket the participant throws the ball to the next participant in the line and moves to the end of the line. If the shot misses the participant may get their own “rebound” (one rebound per participant, per shot) but must do so before the next participant in the line has made a successful shot at the basket. After the first participant in the line has made their shot from the free-throw line the next participant shoots their ball. If the first participant has not got their “rebound” by the time the next participant in the line has successfully made their shot from the free-throw line, the first participant is knocked out of the competition. Each participant continues until there is only one participant left. This person will be the winner of the Subaru.
 - In the event that the general public are unable to attend matches due to COVID-19 restrictions, TAC’s activation agency Graffiti will draw one winner at the end of every Melbourne United home game from the online Wild Card entries. The final shoot out would take place in a controlled environment in line with restrictions at the time.
7. Each home game winner and Wild Card entry must consent to a driver’s licence search. The home game winner’s and Wild Card entry motor vehicle licence must not have been suspended or cancelled in the two years prior to the date of entry or incurred no more than 5 demerit points in the last five years, to be determined by the TAC in its absolute discretion.
 8. If you are the winner and the TAC has approved your driver’s licence check, subject to these terms and conditions, you will receive a 2021 Subaru Forester 2.5i Sport AWD, registration and delivery valued at RRP \$46,764. You must produce identification in a form acceptable to the TAC before you collect the prize.
 9. The prize is not exchangeable or redeemable for cash. As well as being announced as such at the time, the TAC will contact the winner by telephone and mail and publish the winner’s name on Monday May 31 2021 on www.tac.vic.gov/fivestارشootout. Each entrant agrees that entry into the competition constitutes permission to use any photographs and/or videos of the winner for promotional purposes.
 10. If the winner does not claim the prize by Friday 4 June 2021 their prize will be forfeited, and a winner will be drawn from all entries into the competition.
 11. The TAC accepts no responsibility for late, lost, incomplete or misdirected entry forms. Entry forms that are submitted become the property of the TAC.
